

## **Working Group for Microbiology Standards in Clinical Bacteriology Membership**

The role of the Bacteriology Working Group chaired by Riina Richardson is to recommend and present good microbiology standards consistent with current good practice that will ensure an acceptable standard of working for bacteriology investigations in the UK.

### **Chair:**

Dr Riina Rautemaa-Richardson

### **UK SMI Team:**

Ruhi Siddiqui  
Head of Standards Unit

Rina Shah Desai  
Standards Microbiologist

Shahmeen Ali  
Healthcare Research Scientist

Zainab Sebbar  
Healthcare Scientist

### **Members:**

Dr Andrew Sails  
Applied Microbiology International

Dr Claire Alexander  
Scottish Microbiology and Virology Network

David Jordan  
Scottish Microbiology and Virology Network

Dr Deborah E. A. Lockhart  
Association of Clinical Oral Microbiologists

Karen Reynolds  
UK Health Security Agency

Kenny Vaughan  
Lay representative

Dr Lewis White  
British Society for Medical Mycology

Linda Mulhern  
Scottish Microbiology and Virology Network

Lim Jones  
Public Health Wales

Dr Matthijs Backx  
British Society for Medical Mycology

Mark Prescott  
United Kingdom Accreditation Service

Dr Natasha Ratnaraja  
British Infection Association

Dr Penny Cliff  
The Association for Clinical Biochemistry and Laboratory Medicine

Phillipa Burns  
The British Society for Antimicrobial Chemotherapy

Philip Lewis  
Public Health Wales

Prof Rachel Chalmers  
British Society for Parasitology

Dr Rohinton Mulla  
No Partner Organisation

Sally Lowe  
British Society for Microbial Technology

Dr Sayed Bukhari  
No Partner Organisation

Shanine Mitchell  
Institute of Biomedical Science

Shila Seaton  
United Kingdom National External Quality Assessment Service

Dr Silke Schelenz  
United Kingdom Clinical Mycology Network

Dr Tanya Curran  
Northern Ireland Microbiology Forum and Audit Group

**Co-opted members:**

Dr Rebecca Gorton
