Pathology: the science behind the cure

Candidate performance in FRCPATH Part 1 examinations Autumn 2023

Of the 1,117 candidates who sat FRCPATH examinations in Autumn 2023, 587 were Part 1 candidates.

Candidate performance in individual FRCPATH Part 1 examinations

Where possible, the Royal College of Pathologists will publish exam outcome information broken down by specialty. To preserve candidates' anonymity, such information will only be published where the examination, or part of the examination, has six or more candidates. Please note that depending on fluctuations in numbers of candidates between sessions, it may not be possible for the College to provide data for some specialties in any or every performance report.

Note: As the FRCPath Part 1 examinations are now held online, there were no overseas centres for this session. However, there were overseas candidates that were able to attempt their examination online.
