

RCPATH Wales Walk for Rare Diseases

Saturday 26 October 2024 at 10.30am

Meeting point: Penarth Pier pavilion

Endpoint: Senedd

Join us for a meaningful walk along the stunning Wales Coastal Path as we come together to promote health, enjoy the beauty of nature and raise awareness of rare diseases.

This event is open to all — whether you're a health professional, patient advocate or simply want to make a difference.

The Royal College of Pathologists
Pathology: the science behind the cure

Why walk with us?

Walk for health

Enjoy the benefits of a refreshing coastal walk for both mind and body.

Chat & connect

Meet others who are passionate about healthcare and supporting rare disease awareness.

Raise awareness

Help spread the word about rare diseases and the vital work being done to support those affected.
