Panel discussion: PRAME – Priceless, Promising or Pretty awful and Q&A session.

Joint BDIAP and BLPG Programme on Skin Lymphomas

Friday 10 May 2024

The British lymphoma Pathology Group (BLPG) is organising this event jointly with the BDIAP. The one-day programme compiled by the BLPG will be dedicated to skin lymphomas and the topic will be covered by the top international experts. The meeting will include a case-based pathology workshop.

A networking reception will be held on the evening of Thursday 9 May, open to all registered delegates.
